# How re-scoping will work

The first step to re-scoping is to use the SMART Planning Charette:

1. Problems and opportunities statement
2. Planning objectives and constraints statement
3. List of decision criteria for:
  - a) Evaluation
  - b) Comparison
  - c) Selection
4. List of key uncertainties
5. Without condition narrative
6. List of planning measures already screened/eliminated from consideration
