Long Beach Marinas

From the Manager

It's May,

A lot to celebrate this month, the start of the summer season, graduations, Mother's Day, Cinco De Mayo, Armed Forces Day and Memorial Day. On behalf of those of us who have the privilege of working for the Long Beach Marinas, I'd like to thank the men and women who served in the United States' armed forces, the families and friends who supported them and continue to support their chosen profession. Several of our boat owners are veterans and we are proud to call them our customers and serve them on a daily basis. Recent events around the world illustrate the importance of and vulnerability of the values and freedoms Americans embrace.

Armed Forces Day, on May 20th, is always held on the third Saturday of May, the final day in the celebrated Armed Forces Week, which begins on May 13th. Join the City of Torrance as it holds its annual armed forces parade. Torrance is one of few cities nationwide sanctioned by the Department of Defense to honor our Armed Forces through an annual Armed Forces Day Parade & Celebration. This celebration has the distinction of being the nation's longest running military parade sponsored by any city. Last year's celebration brought approximately 60,000 people to crowd the Parade route, and staff is expecting a similar turnout this year.

While Memorial Day for many is the unofficial start of summer, let's take time to pause and consider the true meaning of this holiday. It is a day dedicated to national awareness and reverence, honoring those Americans who died while defending our Nation and its values. In the words of former President Clinton, "I ask that all Americans come together to recognize how fortunate we are to live in freedom".

So in the coming weeks and any time after, if you are a current member of the military or veteran and you see me in and around the marina, identify yourself as such, I would very much like to know.

In closing, I'd like to thank the Boat Owners Association (BOA) for hosting Councilwoman Price, Council member Pearce, and the Marine Bureau at last months meeting. We appreciate all the time and dedication that each member of the board places into making Long Beach Marinas our home. Thanks to all of you that took the time to join us that evening.

See you around.

Adopt-A-Student and Volunteer Skipper With Panthers By the Sea

You may not have heard of them, but the Panthers at Sea are on a mission. The annual event will be held on Saturday, May 13, 2017. This is an amazing opportunity and for many students it will be their first time seeing the sea and being on a boat with an opportunity to sail.

The Panthers at Sea began in 1998 by science teacher David Braunstein with 45 students from Jordan High School. David wanted to share his passion for sailing with his students and the program has since expanded to nearly 100 students.

Along with a representative from the Long Beach School District, small groups of student are assigned to a private sailing yacht after safety requirements and training are met.

Volunteer skippers share their home waters with the students along with their experience and wisdom on sailing

The program has been credited by the faculty of Jordan in "setting a new course" for many students. Students are not only exposed to the lifestyle and skills of training, but are introduced to numerous educational outlets through sailing and first hand applications.

Co-Chair of the Panther at Sea, James Townes, said that being in the water broadens student to the sea and gets them interested in science, technologies, engineering and math. Townes also intends on reaching the ultimate goal of expanding the Panther at Sea to Student at Sea, encompassing interested Long Beach Unified High School students who wish to set sail on a path in the water.

The adopt-a-student program is available for 20 dollars. Sponsoring a student will cover their lunch and a tee shirt on the day of the event. In addition, volunteers and skippers and always welcome and very much appreciated.

To adopt a student, volunteer your services, or for more information on the Panthers at Sea program and the Jordan High School Summer Sailing Camp email or call James Townes at J.townes@verizon.net or (562) 951-5810.

Sail and set sail to a new course for Long Beach high school students. You can impact a youth's life and maybe steer them towards a future in science, technology, engineering and math with the adopt-a-student program.

Summer is Almost Here, It's Time To Stroll & Savor

What'll ya have-a tri tip slider, samosa, spanakopita, falafel and hummus, or how about a fresh baked cinnamon roll, cupcake or gelato? Maybe some mac n cheese and spicy chicken wings? Come to Stroll and Savor in Belmont Shore and sample food from more than 40 restaurants and bakeries. Enjoy live music from local bands and visit the shops and bars with your friends, family and four legged friends. It's a great way to spend an almost summer evening outdoors.

Stroll & Savor, the longest running food event in Long Beach takes place on May 17-18 in Belmont Shore on 2nd Street from 5:30 to 9:00 PM. A 12 ticket book is \$10, ticket books are available at various stores throughout the shore. Stroll & Savor will be held throughout the summer on June 21-22, July 19-20 and August 16-17.

California Food and History Events at Rancho Los Cerritos

Rancho Los Cerritos is a National, State and Historic Landmark in Long Beach that has two upcoming events: one featuring authors on California's agricultural food history the other a night of living history from famed California social commentators Will Rogers and John Muir.

Foodways of the West: Southern California's Land Use-The Past, Present, and Future at Rancho Los Cerritos takes place on Saturday, April 29. Rachel Suris and Judith Gerber, co-authors of *From Cows to Concrete*, will discuss the rise and fall of farming in Los Angeles, and Californians' reconnection with gardens, farmers markets, and urban farms.

Tickets for the event are \$8 general, \$5 for students. Register online at rancholoscerritos.org. Seating is limited.

History Comes Alive: "Will Rogers and John Muir" performance is on Saturday, May 20, from 7-9PM. Two historical luminaries will share stories about their adventures in California.

Chuck Kovacic channels Will Rogers in a staged one-man show brimming with comedy, where he will riff on politics, the economy, and California history. Theater-goers will step further back in time when John Muir, portrayed by Michael Oates, will tell the story of his life.

Reserve your space for our unique Living History Theater performances. \$25 per ticket. Advance reservations required; tickets at www.rancholoscerritos.org.
