Agenda Item	Application Number	Project description	Address	Project Planner	Council District	Zoning District	Status
1.	2105-31	Site Plan Review for an affordable housing project at the City-owned Armory Building site. The proposal involves construction of a new five-story building consisting of 58 affordable dwelling units at the existing surface parking lot located south of the Armory building. The existing Armory building will be maintained, rehabilitated, and repurposed into six affordable dwelling units and performing arts space, gallery, offices, and amenity space for St. Anthony's school and residents. 100% of the dwelling units are proposed as affordable for lower income households; the project is specifically proposed with 63 affordable units plus one market-rate manager's unit for a total of 64 units. Based on the project site and the proposal, the project qualifies for a Streamlined Ministerial Approval Process pursuant to Senate Bill (SB) 35. All units will be deed-restricted affordable housing units and will make use of development standards waivers and regulatory concessions afforded by State law.	854 East 7 th Street	Gina Casillas Cynthia de la Torre	1	PD-30	Comments Issued
